Hermann High School

Attendance

Regular attendance is essential. Students must attend class to receive credit. According to the state, students are required to have a minimum number of instructional hours for each class. If a student misses more than 2 credit recovery classes, they will NOT be able to earn credit and may be removed from summer school. Students are expected to be **ON TIME**. Upon the 4th tardy, students will be removed from summer school.

Transportation

Bus transportation for high school students is available in the **mornings ONLY**. Students will need to make arrangements for transportation at the end of class. High school students will NOT be allowed to leave school after class and then return to school to ride the bus home. Summer school bus routes are NOT door to door, as they are during the regular school year. Students must get on and off the bus at **designated pick-up/drop-off points** OR **locations along the designated routes**. A summer school bus schedule is included in this packet.
